

**They laughed when I told them
how this little glass disc had
changed my life.**

**But once they tried it for
themselves, the laughter
stopped.**

Dear Health-Conscious Friend,

**HOW MUCH WOULD YOU PAY TO FEEL MORE
ALIVE EVERY DAY?**

Do you feel like you're getting older by the minute?

Tired, run down, sluggish, worn out, fatigued....

whatever you want to call it...

**...this global problem of feeling completely wrung out is
the single most common reason people visit their doctors.**

Sadly, there's not much the doctors can do.

**Of course, diet and exercise play a big part in how we
feel.**

Eat a diet high in fat, calories and sugar, and exercise only your elbow as you move fork to mouth, and you're probably not going to feel very well.

Eat a diet full of healthy grains, fruits and vegetables, and pure wholesome water, and exercise moderately three to five times a week, and you'll undoubtedly feel...and look... a lot better.

UNFORTUNATELY, IN TODAY'S POLLUTED WORLD, THAT'S JUST NOT ENOUGH.

Air pollution, water pollution, toxins in our food, chemical pollutants, electronic frequencies and radiations, and a host of other known and unknown toxic substances threaten our daily existence and contribute to today's top three fatal diseases: cancer, heart disease and diabetes.

BUT THERE IS SOME GOOD NEWS:

**Here's a Little Known Method
Helping Millions to Get Rid of
That Sluggish, Fatigued Feeling
Once and For All.**

**It's Called
The Amezcuá Bio Disc.**

**An unusual name...
An unusual product...
Stunning results.**

What is the Amezcua Bio Disc?

We're glad you asked.

The Amezcua Bio Disc is a round, glass disc that, upon first glance, looks like nothing special. In fact, it's only 9 centimeters in diameter and only 10 mm thick.

But within the glass is the secret to regaining lost energy and rebalancing your internal harmony.

Made of natural minerals that have been structurally bonded in glass, the Amezcua Bio Disc is technically engineered at a molecular level, using several high-heat fusion methods. The combination of the minerals and the fusion techniques creates a positive energy field that follows the principles of traditional Chinese medicine in restoring your 'chi', or life force.

**WARNING:
WHAT EVERYONE SHOULD
KNOW ABOUT GOOD HEALTH.**

You see, traditional Chinese medicine teaches the principles of the chakras, specific points on the human body that

regulate internal energy, healthy body functioning, and disease resistance.

The charkas are connected by invisible 'meridians', similar to the way your head is connected to your spine.

Throw the meridians out of whack with a stressful lifestyle or unexpected illness, and your chakras cannot function properly.

But realign your chakras with the intense life energy properties of the Amezcua Bio Disc, and your life harmony is restored, along with your sense of well-being.

It's that simple...

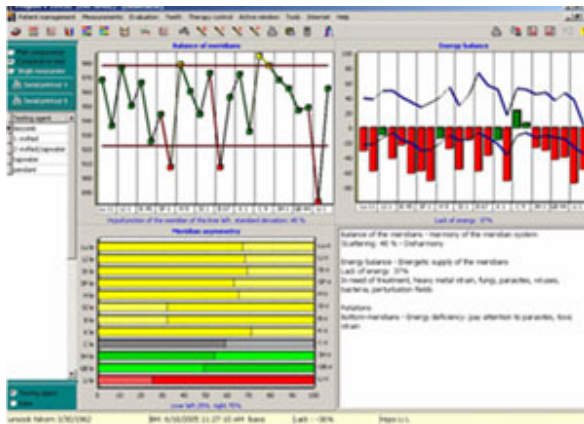

And it's that complicated.

**Give me 2 minutes,
and I'll show you how it works.**

**TESTIMONIAL OF TESTING RESULT
ON AMEZCUA BIO DISC TREATED WATER**

Before drinking the water treated by the Amezcua Bio Disc, the subject was tested using a PROGNOS Machine to determine his health.

The test results showed that he lacked energy and suffered from disharmony of the meridian system.

After drinking the treated water, the subject was again tested using a PROGNOS* Machine. This time, the results showed that his energy levels had returned to normal and the disharmony of the meridian system was reduced from 48% to 34%.

* PROGNOS is a diagnostic and therapy system based on the Traditional Medicine.

You don't have to be a rocket scientist to recognize the power of this product.

Let's look again at the revolutionary key benefits of The Amezcua Bio Disc:

PROGNOS, a diagnostic and therapy system based on Traditional Medicine, has certified that The Amezcua Bio Disc creates a positive energy field.

But what does this really mean for you?

The Amezcua Bio Disc can:

- ✓ Potentially harmonize and balance the body's rhythmus, as shown in the previous testimonial.
- ✓ Reduce surface tension value of water (Certified by PSB Laboratory, Singapore). Less water and less detergent are required to wash, saving both money and the environment. Go from a cupful of detergent to a tablespoon! It also means that the water is more hydratious and help improve the body nutrient uptake.
- ✓ Increase the number of "beautiful/good" water crystals and decrease the "depression" water crystals (Certified by I.H.M. Institute, Japan). A correlation has been shown between the formation of water crystal and the quality of water, in terms of degree of pollution. Water crystal formation reflects not only physical, but informational or energetic, aspects of the water.

- ✓ Energize and detoxify your drinking water, dramatically hydrating all body cells while providing a feeling of overall wellness. Feel more alive! Whether drinking or bathing, **The Amezcua Bio Disc** can make a world of difference in the way you feel, from the very first time you use it!

Just think about it. The human body is comprised of 60% water. Doesn't it make sense that we need the cleanest, purest form of water to keep our bodies in optimal condition?

More important than vitamins...

or the food we eat...

or any other substance we can drink...

Water is the one thing our bodies simply cannot do without.

Can you imagine the incredible effect that highly optimized water, available only with the Amezcua Bio Disc, will have on your body?

Still not convinced?

Here are even more benefits of **The Amezcua Bio Disc**:

- ⇒ Enhances the taste of food and beverages of all kinds.
- ⇒ Placed in refrigerator, **The Amezcua Bio Disc** will keep food and beverages preserved and fresh for a longer period, and act as a deodorizer.

- ⇒ Place body lotions & oils on top of **The Amezcua Bio Disc** to allow the build up of a molecular structure, causing lotions and oil to become more absorbent.

- ⇒ When carried on the body, it has the ability to balance yin and yang, restoring the life force.

Right about now, you're probably saying to yourself:

- ✓ **"What the heck is this really all about?"**

- ✓ **"Can this product really work the way they say?"**

- ✓ **"I never heard of anything like it."**

- ✓ **"It can't possibly be true or everyone would be doing it."**

Believe Me. This is a real product that really works. And many people **are doing it right now**.

If you don't finish reading this now, you'll hate yourself later.

I've accidentally discovered there is one common thread running through the minds of people everywhere who suffer...not from any particular debilitating disease...but from simply feeling unwell.

I call it the Universal Lie.

And it goes something like this:

"There's nothing we can do for you. You'll have to live with the pain."

Have you heard that from your health professional?

The funny thing about a lie is...if someone tells it often enough, it starts to sound true. Have you ever noticed that?

The truth is that there is [a product available to you right now](#) that can make a world of difference in the way you **sleep, eat, feel and enjoy life every single day.**

It's The Amezcua Bio Disc. [And we want you to try it.](#)

If you feel sluggish, fatigued, tired of body and mind, depressed and generally unhappy...

Don't wait any longer to try this revolutionary product.

We look forward to hearing about how it has helped you.

Sincerely,

Amezcua Team

p.s. Look. Life is short. People say it all the time. But it really is. Why spend the precious time you have here in pain, unhappy, depressed, fatigued and out of it?
